REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The claims 23, 26-31, 33, 34, 65-69 are allowed for the reasons as set forth in paragraph 23 of the prior Office Action filed November 23, 2003.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Information Disclosure Statement

2. The information disclosure statements (IDS) submitted on July 16, 2004 and August 19, 2004 have been considered by the examiner.
3. The references B, D, E, F, G, H, I, M, N, R, S, T, U, W, X, Y of the information disclosure statement filed on July 16, 2004 fail to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each patent listed that is not in the English language. Consequently, those references have been crossed out and have not been considered.
4. The reference U of the IDS submitted on August 19, 2004 has been crossed out as a duplicate of the reference R of the same IDS.
